

Home Care Services for Seniors in Charleston SC (www.caring.com)

Disclaimer: Johns Island Presbyterian Church neither endorses nor recommends any home care service. Please see individual service websites for more information.

Home Instead Senior Care is a non-medical provider of personal care, companionship, meal preparation, light housekeeping, medication reminders, errands, incidental transportation and even Alzheimer's and dementia care. Our CAREGivers encourage, assist, and stimulate our clients in a variety of activities that improve their quality of life and help them maintain their independence. All of these services allow a senior to stay HOME INSTEAD for a longer period of time.

Right at Home provides in-home caregiving services for thousands of families across the nation. We offer companionship and help with everyday tasks that have become challenging for an aging person. This may include things like meal preparation, laundry, housekeeping, hygiene and grooming. We also offer services for those with special care situations caused by numerous medical conditions such as Alzheimer's disease and other dementias. Call us to learn more about the specific services we provide.

Visiting Angels Getting the right home care services for a loved one starts with knowing what they need. At Visiting Angels of Charleston, we take the time to learn about your family so that we can help you choose which services would benefit them most. Then, we help you to personalize their care by scheduling it according to a loved one's needs and preferences. So whether it's 24-hours a day, or just every once in a while, a loved one in Charleston can get the kind of home care that's right for them. You can choose from our wide range of home care services.

Care Givers Unlimited is an in-home care provider serving Summerville, South Carolina and the surrounding area. At Firstlight HomeCare, the genuine health and well-being of others is our greatest concern. We vow to provide first-class personal service for our clients so that they may enjoy warmth, independence and relaxed comfort in their own home setting. This belief and value is our promise to our employees and clients, guiding us every day as we serve others.

We provide quality, affordable, non-medical in-home care for adults of all ages so that they can enjoy the best quality of life wherever and whenever they need it. Whether for seniors that need some assistance in order to stay in their homes, families with members who have special needs or disabilities, those recovering from an illness or surgery, even people who just need someone to talk to and visit with as they move through life, we are your alternative for care when and where it's needed most... for several hours a week up to full-time, live-in situations.

Our companion care, personal care, and even our personalized, engaging dementia care services are available at home, in nursing and assisted living facilities, and hospitals wherever they can do the most good. Plus, our innovative client and family tools ensure that you're engaged and informed of your loved one's care every step of the way.

At **Lowcountry Companions In Home Senior Care**, we know that there really is No Place Like Home. For seniors, those recovering from hospital stays or surgery, or others who need a helping hand so they can remain confidently independent in their homes, Lowcountry Companions is the right solution! We are a full service agency and provide companion care.
